

Alumni Work Weekend Wrap-Up

The First Annual Alumni Work Weekend was a great success! We had 21 alumni join the active brothers and pledges to give 523 South Allen a much needed facelift. Everyone in attendance spent Saturday and Sunday painting the first floor (a color other than the traditional plain white) and fixing up several of the rooms on the second floor. We also found time to put down a hardwood floor in one of the bedrooms, fix the baseboards in the living room, cased a window on the 3rd floor, and build a new bookcase for the library. We need a place to put all of the awards and trophies being amassed by the active chapter!

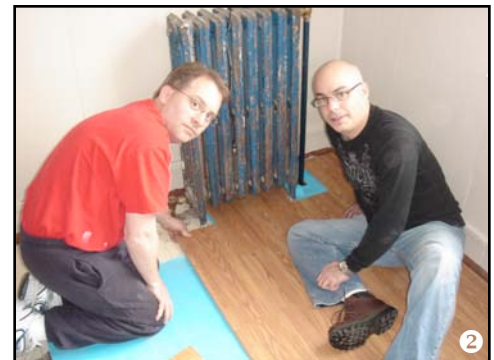

Saturday night the alumni and undergraduates attended the Penn State versus Michigan basketball game and cheered our Lions on to a thrilling victory.

I look forward to Alumni Work Weekend becoming an annual tradition that continues to strengthen the relationship between our alumni and active chapter. I also hope it shows the active chapter that the alumni are committed to them and Theta Chi. I look forward to seeing more of you next year and I want to extend a big Thank You to all of those in attendance and to those of you who contributed generously to the project fund.

Our next alumni gathering will be April 19th for our annual Founder's Day meeting. The meeting will be held at 5 p.m. and a barbeque will be held during and after the meeting for alumni, family and friends. For more up-to-date info check the fraternity website - www.theachiomega.com.
