

NEWSLETTER OF OMEGA CHAPTER, THETA CHI FRATERNITY

Spring 1976

SPRING MEETING * * * FOUNDERS DAY CELEBRATION

SATURDAY, APRIL 10, 1976

The Founders Day Celebration which includes the Spring Meeting of the Omega Alumni Board of Directors and Alumni Corporation will be held in April this year at the request of the Active Chapter. For the last couple of years this meeting was held on the day of the Blue and White Spring football game which conflicts with Mother's Day weekend activities at the Fraternity. Thus the reason for the change.

HIGHLIGHTS OF THE FALL MEETING

Shortly after the football game with Kentucky, the Annual Fall Business Meeting was held at the Chapter House. The Alumni Corporation and Board of Directors met jointly with 6 officers and directors plus 9 additional Alumni and 14 active members present.

The Corporation Treasurer, Brother Al Frey, reported: (1) the Alumni Dues received were the best ever for the year 1974-75, amounting to \$1000, (2) the amount in rent received from the Active Chapter did not cover operational costs as only \$7100 was received and expenses were \$8500. To meet this deficit it was necessary to draw from a savings account which depleted a fund being accumulated to rewire the house and repair the club room ceiling.

There are two outstanding mortgages: (1) an original \$22,000 loan by the National Fraternity which has been reduced to \$5,600, (2) a \$20,000 loan from Peoples National Bank that has been reduced to \$10,500. The annual cost (interest and amortization) is over \$4,200 per year. Other fixed costs are \$1,200 for insurance and almost \$1,500 for taxes annually.

The financial advisor to the Active Chapter, Brother Ed. Keller, reported with 40 men presently living in the house and with some losses due to graduation at the end of various terms throughout the year, he expected there would be an average of 36 live-in members during the year which is the break-even point. The Active Chapter expects to pay full rent for the 1975-76 year. Brother Keller advised that because of the high cost of food and its preparation over Alumni Weekend it was a burden on the Active Chapter to support the full cost. It was unanimously agreed that Alumni and their guests should pay \$5.00 each for dinner.

Continued on Page 2.

Fall Meeting (continued from Page 1)

The active President for the fall term, Brother Dave Douglas, reported the attitude of the actives was excellent and the rushing prospects for fraternities had improved on campus - thus a full house at the present. Only one of ten pledges dropped out. He advised the actives would remove the plaster ceiling in one of the club rooms and replace it with plaster board if the Corporation would pay for the materials. This it was agreed to do. He also will arrange to have a contractor furnish an estimate to rewire the house.

Brother "Abe" Doan was thanked for his arranging with the postal authorities to use bulk mailing which will save the Alumni Corporation considerable expense. The first attempt was not the most successful because of late mailing due to late shipment of mailing labels by a Boston firm.

The following officers for the Corporation and Board of Directors were elected to serve for the next two years:

President:	Toby Froelich	'70	Directors:	Fred Grun	'47
V. Pres.:	Jim Stalder	'62		Bob Holland	'70
Secretary:	Bob Patterson	'30		Rod Dare	'72
Treasurer:	Al Frey	'33 (appointed)			

Brother Froelich assumed the chair and stressed the need to build a cash reserve to care for future maintenance and replacement of items such as furniture plus unforeseen problems. It is imperative that the house be kept full so that the annual rental is paid and an all-out effort should be made to increase the number of dues-paying alumni. After some discussion to increase the dues it was decided to keep them at \$10.00.

ACTIVE CHAPTER PRESIDENT'S MESSAGE

Dear Brothers:

Just a few notes to let you know how things are going with the actives. Rush has been showing a lot of improvement during the last half of winter term. The actives finally seem to be realizing the tremendous importance of filling the house again next fall. Accomplishing this goal will take a lot of hard work since a fall pledge class of about 15 or 16 men will be needed, but I feel that we can do it.

The first floor has undergone a bit of reorganization due to the untimely death of the house television. The piano room has been converted into a billiard room thanks to the pool table donated by parents of Br. Tony Bernardo '77. A card table and a new dartboard have been moved into the game room after the floor and the baseboards were refinished. The new setup seems to be far more effective for rush than was the old one, so maybe the breakdown of the television was a blessing in disguise.

If you did not return to Penn State last homecoming, you missed quite a sight. Out on the front lawn was an eleven foot tall Nittany Lion about to dismember a three foot tall Kentucky "little fella". The facade took the effort of the whole house. Special thanks are in order to Br. Dave Sipp '77 who did most on the design work. Dave has also been appointed Public Relations Chairman for Spring Week.

Our fall term intramural teams placed 13th out of the 48 fraternities on campus. Our winter teams showed a marked improvement over last year, which gives us a good chance of making the top ten for the year. Br. Paul Diamond, our athletic chairman, deserves a lot of credit for his organization and pride he put into his office.

Omega Chapter of Theta Chi Fraternity
523 South Allen Street
State College, Pa. 16801

March 10, 1976

Dear Brothers,

As you know by now the chapter is about to undergo some major repairs. We are in need of a new boiler and our electrical wiring needs to be renewed. In order to finance this we will have to take out a loan of up to \$20,000. This is a large sum and it will take a long time to pay it off. I realize that in these times of high expenses and constant appeals for contributions, you are probably saying, "not again!". We, the actives, are doing our best to keep our membership up however, it is hard to survive without heat or without a house if it burns down due to faulty wiring. I would like to remind you that we all are Theta Chi's for life. Although the national fraternity should always survive, it would not be the same without Omega, a place to go for Homecoming, football weekends, Founder's Day, and to visit whenever the spirit moves us. In view of all this, it will help assure Omega's survival if each one of you would send us a contribution of any size. Every little bit helps and we need help. For those of you in Pennsylvania, we have gotten access to a Watts line for Pennsylvania. We will be contacting you by phone sometime between April 1st and April 14th if we do not hear from you. This way we can answer any questions you may have about the repairs or anything else you may want to know. I hope that you will sit back and remember your great times at Penn State and how different it would be if Omega of Theta Chi had not been there. I myself, do not want to think about it, and I thank God that Omega is here for me to enjoy and I hope it is here for me to come back to and think about when I am in your place. Omega is just

too great for it to die. We have an Omega as Executive Director, an Omega as National Secretary, and our most illustrious brother, George W. Chapman, wrote the Theta Chi Manuel, was a National President, and did many things to perpetuate Omega and Theta Chi. We ask you to help us continue the life of Omega in order to keep it as great as it is now and has been in the past. Write, come and see us, or wait for our phone calls. We will be calling each brother in Pennsylvania (we can not call out of state on the Watts line) during the evening from April 1st through April 14th. Hope to here from you soon. See you on Founder's Day, April 10th, or sooner if you can.

Fraternally yours,

A handwritten signature in cursive script, reading "Gerald J. Kistler". The signature is fluid and elegant, with a large initial "G" and a long, sweeping underline.

Gerald J. Kistler, President

Omega Chapter, Theta Chi

William R. Weaver '70 lives at 2577 Willowbrook Road, Pittsburgh, Pa. 15241. Bill is a Special Education Teacher at Eastern State School and Hospital, 3740 Old Lincoln Highway, Trevese, Pa. 19048.

CORPORATION FINANCIAL PICTURE

The Treasurer's report for this school year as of March 1, 1976 is shown as follows:

Balance 10/1/75	\$ 633	Fixed Expense	\$2177
Rent from Actives	6800	Alumni Expense	242
Alumni Dues	610	(Printing & Postage)	
TOTAL	\$8043	TOTAL EXPENSE	\$2419
	<u>BALANCE 3/1/76</u>	\$5624	

While the balance looks sizeable, it is reduced each month by \$354 to pay for mortgages and there are taxes of \$1400 and insurance of \$1200 due in April.

Active President's Message (Continued from Page 2)

We made a good showing in Greek Week this February. The dart team returned as champions and we had semi-finalists in five of the other activities. The pinochle tournament was held here and several people expressed compliments on the way the house looked. Greek Week was concluded with a Dance Marathon for Muscular Dystrophy. Theta Chi and Alpha Chi Omega sorority sponsored Br. Scott Ambler and his girlfriend, Lynne Schuette. She is the daughter of Br. George Schuette '51. Unfortunately Lynne had been suffering from the flu a day before and, was forced to quit late Friday night. We were ahead in money collected.

Elections were held at the end of Winter term and our new officers are:

President	Gerald J. Kistler '77
V. President	Robert B. Mooney, Jr. '78
Secretary	Charles Englehardt '78
Rush Chairman	Kenneth Oeschger '77
Pledge Marxhall	Paul Diamond '78
Hist. Librarian	Drew Tomlinson '79
Social Chrm.	Brian Fluehr '77 and Paul Cunningham '77
Little Sister Chrm.	David Sipp '77
Athletic Chairman	Anthony Bernardo, Jr. '77
Chaplain	Edward Turko '78

Founder's Day is being held this year on April 10th, the 120th Anniversary of Theta Chi! The actives hope that we have a good turnout this year.

Fraternally yours,

Br. Robert B. Mooney, Jr. '78

ALUMNI CORPORATION PRESIDENT'S MESSAGE

Dear Brothers:

Theta Chi's annual Founder's Day date has been moved up to April 10th, in order to adjust to Penn State's changing term schedule, and to make it possible for returning alumni to obtain rooms in State College. We need a big turnout of interested alumni to help the directors make the decisions which must be made immediately concerning the Chapter House!

For those of you who haven't been in touch lately, we are experiencing some major problems with the wiring, and the boiler and the hot water systems are in need of immediate replacement. This is no longer something which we can put off ... but something which we must do before next fall. Actually we are down to the point of deciding how to finance these projects; the decision to do them has already been made by the failure of these systems to operate satisfactorily.

I am looking to you, the alumni, to help Omega in some way. We need many things ... but the biggest need is a larger group of interested, active alumni. Fortunately we have a small group of people who seem to be at every meeting, and who do the work that should be spread around among many more people. But, we need more help. We need contributions and people who are interested in helping in any way possible. Let's build up an active, interested group of alumni for Omega.

Continued on Page 4.

Alumni President's Message (Continued from Page 3)

I'm looking forward to seeing you at the house on April 10th, for dinner and an interesting meeting. And please don't forget to send a check if you haven't paid your '75-'76 local dues!

Fraternally,

Toby M. Froelich
