Omega Chapter of Theta Chi Fraternity at The Pennsylvania State University

HOMECOMING 1995 UPDATE; WHAT'S AHEAD FOR OMEGA CHAPTER

By Edward M. Brown '87, President, Theta Chi of Penn State, Inc.

Omega Chapter welcomed over 30 alumni for our 1995 Homecoming celebration. We were glad to see Howard R. Alter Jr. '41, a distinguished Omega and leader in the fraternity world, as well as a few faces not seen at the chapter house in some time, including Keith Williams '83, Randy Siegman '88, Rob Price '87, Tom Strauss '87, Chris Casciato '85, Louie Martini Jr. '84, Anthony Panichelli '85, Scott Morton '92 and Andy Brey '95.

Preceding the Homecoming dinner was a corporation meeting highlighting the activities of both the alumni and undergraduate members of Theta Chi. A new side porch roof as well as the installation of smoke detectors has improved the appearance and safety of the chapter house. Elections were held to fill five positions on our Board of Directors. Brothers elected were James Stalder '62, Tim Boyd '83, Hugh Cadzow '83, Phil Katchur '88 and Scott Mayhew '90. Thanks to Donald Cadzow '57 for his contributions as a member of our Board of Directors.

Three events are upcoming. First, Founders' Day is nearly upon us. Please see the schedule at right for details. At the corporation meeting, we will be voting on two amendments to our bylaws.

One provides for bonding of officers at the discretion of the Board of Directors, the other addresses the limitation of liability for

officers and directors serving Theta Chi of Penn State, Inc. The second upcoming event is for the golfers among our ranks.

Jim Stuhltrager is organizing a summer golf outing in the Philadelphia area. If you're interested in participating, please give Jim a call (610-534-5888). Third is a summer corporation meeting to be held June 8, beginning at 1 p.m. at 180 Green Lane, First Floor, Philadelphia, Pa. Brother Bill Herron '90 will be hosting. For directions, Bill can be reached at 215-508-0326.

A winter workshop meeting was held February 10 in Holmes, Pa., at the residence of our vice

Alumni Adviser Joost Keesing helps Anthony Nero '95, Marc Chrencik '96 and Andrew Castaldi '97 repair our porch. See related article and photos on Page 2.

president, Jim Stuhltrager. In addition to the alumni executive officers and Board of Director members Phil Katchur '88 and Scott Mayhew '90, we welcomed Bill Herron and Mike Stein '91. At the meeting, it was learned that Dave Schrader '91 has volunteered to perform an architectural assessment of the chapter house. This assessment is necessary to prioritize and put a price tag on the necessary repairs and renovations to the structure. Dave's helping hand is most appreciated; the expense of such an assessment has kept plans for our capital campaign stalled. Once the assessment is completed, plans for the campaign can move forward. Alumni Treasurer Richard Maltz '90 plans to relinquish his office at Homecoming to head up the organization of the fund drive.

Although Homecoming 1996 is still seven months away, planning will soon be underway. If you have any ideas for this year's event, please contact me at 814-447-3455. We are continually looking for ways to improve our alumni gatherings. In addition, elections for the two-year offices of president, vice president and secretary of the alumni association will be held. An alumnus brother will be appointed to the office of treasurer for two years. Officers are expected to attend three corporation meetings a year, offer input regarding house repairs and event planning, and provide general guidance and assistance to the alumni association and undergraduate chapter. If you are interested in serving in any of these offices, I would be glad to answer any questions you may have and to provide more detailed information on the particular responsibilities of each office.

I hope to see you at one or more of our upcoming events!

Omegaphone is published for the alumni and friends of the Omega Chapter of Theta Chi Fraternity at The Pennsylvania State University. Address changes, news items, photographs and contributions may be sent in the enclosed envelope or mailed to Alumni Records Office, Theta Chi Fraternity, P.O. Box 296, State College, PA 16804-0296.

NOTES, IDEAS AND THOUGHTS FROM STEVE MARTIN '88, EDITOR

- Thanks to everyone who took the time to vote in the Board of Directors elections. Your participation is appreciated.
- Thanks to everyone who turned out at Homecoming '95. Special thanks to the gang who made it down to the old bar late Saturday night.
- Executive Officers will be elected in the fall at Homecoming. If you are interested in running for any of the offices, contact Ed Brown '87 at 814-447-3455 (O) or Jim Stuhltrager '89 at 610-534-5888 (H). We need people to step forward and become candidates.
- If you are interested in contributing to the *Omegaphone*, please contact Steve Martin '88 at 3010 Lovelace Ct., Waldorf, MD 20602, or e-mail him at YEWZ47A@PRODIGY.COM.

HELP WANTED!

Alumni Treasurer Richard Maltz '90 and Alumni Secretary Steve Martin '88 have announced their intentions to step down from their respective offices at the end of the current term. New officers will be elected at Homecoming. Additionally, Steve will step down from his position of *Omegaphone* editor.

If you have any questions about these positions, are interested in these positions or know someone who is, please contact Richard (212-787-1889), Steve (301-932-7062) or Alumni Vice President Jim Stuhltrager '89 (610-534-5888).

REPAIRS AT THE HOUSE CONTINUE

By Jim Stuhltrager '89, Alumni VP

Repairs to the chapter house continued on a massive scale in 1995. The first and most obvious change was the repair of the side porch. Thanks to the dedicated work of the undergraduates and Mr. Jay Wedemeyer, the porch has once again been restored to its former condition.

In March, the house was hit with over eight pages of code violations. Although most were rather minor, the sheer volume of problems called for an enormous repair effort. Repairs commenced in the summer and were completed in the fall. Thanks to the effort of the undergraduates, alumni (and some contractors), the house has passed code and will continue to operate. A special thanks is owed to Joost Keesing for assisting in the repairs and ensuring the contractors' access to the house.

In all, these efforts cost over \$11,000. Additionally, an emergency lighting system and repairs to the glass bricks in the bar still need to be completed. Other repairs, based on a pending survey, will hopefully be made over the summer as funds become available. In addition, in an effort to prevent an even further destruction of the physical plant, a comprehensive inventory will be taken to ensure no future deterioration of house assets.

The photos above show our renovated porch. Our thanks to everyone who made this work possible.

OMEGA
ON-LINE

It has been a long time since we've been in touch with you and I feel there is more to share than will fit on the pages of this newsletter. My recap takes us all the way back to February 1995 when Theta Chi participated in IFC/Panhellenic Dance Marathon with Alpha Xi Delta. The total amount raised for the Four Diamonds Fund once again exceeded \$1 million and Theta Chi/Alpha Xi Delta contributed over \$21,000 to that total.

Last April we initiated 10 new members into our brotherhood. We are happy to say that five of those men are living in the house this year and are already very involved in the operation of our chapter. Just this past December we welcomed yet another 10 men into brotherhood. As a result of the very steady growth of our chapter, we expect a nearly full house next year.

In the last issue of the *Omegaphone*, you may remember us telling you about our porch. At that time, the porch was in very bad shape and was in need of some immediate attention. We are proud to say that the need was met in April when Jay Wedemeyer (father of

Sean Wedemeyer '95) was part of a brotherhood effort to repair the porch. Behind Mr. Wedemeyer's lead and expertise, the brotherhood was able to repair the entire porch in one weekend and thereby avoid the much more expensive option of hiring a contractor.

This past summer, thanks to donations from Howard R. Alter Jr. '41 and the Alumni Corporation, Fall 1995 Undergraduate President Joseph Sass '97 and I attended the Theta Chi National Chapter Leadership Conference VI at the Miami University in Oxford, Ohio. We found the experience incredible. I know that I personally came back to the chapter house with many new ideas. The opportunity to meet with undergraduate members of other chapters from around the United States and Canada cannot be matched. Joe and I are very thankful for the experience.

In the fall of 1995 we also found ourselves busy with K.I.C.K.S., Greek Sing and Homecoming. We, along with Alpha Delta Pi, placed fifth in Greek Sing while capturing third place overall in Homecoming with Alpha Xi

Delta. It was great to see many of you at Homecoming but we hope that many more of you will attend in the coming years. We were especially honored to have in attendance Howard R. Alter Jr. '41, Ex Officio of our Alumni Corporation's Board of Directors and past National President of Theta Chi Fraternity.

And finally, I give you my most exciting announcement—especially for those of you who have found your way onto the world wide web. The undergraduate chapter is very happy to announce their world wide web home page on the Penn State Greek Life server. Those of you with the capabilities can now check occasionally for current announcements, keep up-to-date on address changes, explore pictures and history of our fraternity, and keep in touch with the undergraduate chapter. Check for the Omega On-Line feature below for our e-mail and world wide web addresses.

We hope to see many of you on Blue/White Weekend April 19-21. Please keep in touch with us whether it's by mail or e-mail.

ONCE AGAIN THON GOES OVER THE \$1 MILLION MARK FOR KIDS WITH CANCER *THE TEAM OF THETA CHI AND ALPHA XI DELTA RAISE \$23,000*

By Andrew J. Castaldi '97 and Aaron B. Early '96, 1996 Dance Marathon Chairmen

Dance Marathon 1996 was an overwhelming success, not only for Theta Chi, but for every Penn State organization involved. This year, Theta Chi and our partners, Alpha Xi Delta, raised over \$23,000 for the Four Diamonds Fund and specifically for the Hurley family. This is the second year in a row that Theta Chi and Alpha Xi Delta have teamed up to raise money for Madison Hurley, just one of the many children from the Hershey Medical Center who benefits from the more than \$1,200,000 raised this year by the philanthropy. Each fraternity/sorority team has anywhere from two to six couples that represent them in the event. Four of our brothers, Andrew Castaldi '97, Byrne Remphrey '98, Jason Reifsnyder '97 and Joseph DeSimone '98, represented us by staying awake and dancing for 48 straight hours.

Our Thon dancers are seen here with Madison Hurley (peeking over the top) and her little sister, Taylor. From left to right are Byrne Remphrey, Joseph DeSimone, Andrew Castaldi and Jason Reifsnyder.

Thanks to the many members of our two organizations that participated in the actual running of the event, our dancers were never alone and received much needed support throughout the entire 48 hours. We are very happy to have exceeded our 1995 total and hope that this trend continues. We have created quite a tradition not only with Alpha Xi Delta and the Hurley family, but as a consistent and growing contributor to the largest student-run philanthropy in the nation. We are recognized not only for our monetary donations, but also for the large number of members who are part of the many committees that work all year long to make Thon a success. Thanks to everyone who contributed to our total and helped us to keep the tradition alive.

NEWS FROM OUR OMEGA BROTHERS

William M. Dunlap '34 has a new address: Meadowood, 602 Center Bridge, Lansdale, PA 19446.

Octogenarian **William C. Ings '36** still travels extensively and has built a new home at 62 Ridgewood Cir., Union Grove, AL 35175. He has three sons and two grandchildren.

Since retiring from White Yacht Delivery Co., **Thomas H. White '36** (52 Glennon Ave., Dalton, MA 01226) has renewed his interest in football by officiating and becoming a clock operator for Eastern College Athletic Conference. He hopes to get back to State College for his 60-year reunion.

Retired accountant **John H. Keely II '37** resides at 655 Barnes St., Philadelphia, PA 19128.

W. Allen Ramsey '39 (825 Mercer Rd., Butler, PA 16001) was glad he attended the anniversary celebration and appreciates all the effort involved in the event. He was also on campus in March 1995 when his son, Bill, was honored at Penn State as one of the outstanding alumni engineers.

In May 1995, **Henry F. Pierce II '43** (3203 Coachman Rd., Wilmington, DE 19803) was inducted into The Mount Nittany Society.

For his work in rebuilding homes damaged by Hurricane Andrew, **William A. Grun '47** (274 Easton Rd., Warrington, PA 18976) was selected as Volunteer of the Year. He is retired from the Abington School District and teaches once a week at both the local prison and

junior high school. While on a seven-day bike trip from Pittsburgh to Philadelphia last summer, William spent a night in State College.

Walter A. White '48 (3611 Quail Hollow Pl., Bradenton, FL 34210) is working part time at Lighthouse for the Blind and planning a trip to New Zealand and Australia in May. Still running, he completed two half-marathons recently and is looking forward to future races. Walter enjoyed a visit from Peg and **Bill Staley '48**.

George R. Wood '48, an evaluator with the Board of Revision of Taxes, now lives at 7373 Ridge Ave., #326, Philadelphia, PA 19128.

After 46 years in New Jersey, **George W. Chapman Jr. '49** has moved back to the Keystone State and into a new townhouse at 102-S Stone Stack Dr., Bethlehem, PA 18015. He's glad to be "home" again.

With few worries and responsibilities, life is great for **James L. Taylor '49** (2223 N. Kennicott Dr., Arlington Heights, IL 60004). He's spending lots of time building and flying radio-controlled aircraft as he did in the 1930s, "except now it's a lot more complicated and expensive."

Phyllis and **Joseph M. Jackson '50** (705 Moore Rd., Bloomington, IL 61701) have nine grandchildren between them - six from his children and three from hers.

"Omega was home to me for three years. It was a great way to live and grow up," writes **William K. Elmore '53** (3309 W. Oakellar St., Tampa, FL 33611), sending his best to all the brothers. Bill, who
